Permission form for activities

Dear Group Leader,

Every young person taking part in activities at the Jamboree will need to have a permission form signed by their parent/guardian.

Please print enough forms one for every young person in your Group or Unit and make sure that they complete it with the appropriate signatures from their parent/ guardian. Please collect the forms back in before the Jamboree and bring them with you. We advise that you take a copy of each form before you leave so you have a spare if a young person loses theirs whilst at the Jamboree.

This form will have to be shown to activity leaders before a young person can take part in some activities. This relates specifically to water activities and for challenge activities. Participants only need to have their form with them when taking part in these activities. Therefore we recommend that you keep hold of the forms when they are not needed.

If a young person does not have their form with them for certain activities they will not be allowed to participate. Please make sure that your participants know how important it is to have their form with them before queuing for activities, and to keep it safe.

Adults that have paid to take part in activities do not need to complete one of these forms, but will be required to sign an appropriate declaration in accordance of Section 21 or the Firearms Act if they wish to take part in the air rifle shooting activity.

If you have any questions about this form, please contact Matt from the Activities Team by email on matt@essexscouts.org.uk.

Best wishes,
ACTIVITIES TEAM

Permission form for activities

Dear Parent/ Guardian,

Please find below the activity permission form for the Essex International Jamboree 2008.

Everyone who has paid to do activities must complete one of these forms in order to take part in the activities at the Jamboree. Forms must be signed by a parent/guardian of any participant under the age of 18 and should be returned to the Group/Unit Leader. A copy of this permission form must be shown for some activities before an individual can take part so it is very important that individuals do not lose their forms.

The form is in two parts, the first relating specifically to air rifle shooting, and the second for some of the adventurous activities that may be offered. Please cross out any activities that YOU do not want your son or daughter to take part in. Please do not cross out activities that they just don't want to do. They may change their minds when they see the activity. All instructors have the necessary qualifications for the activity they are running.

Many thanks, ACTIVITIES TEAM

Name of young person:

Group or Unit:

SHOOTING PERMISSION

I, being the parent/guardian of (name)

declare that he/she is not subject to restriction by virtue of Section 21 of the Firearms Act 1968 (which applies only to persons who have served a term of imprisonment or youth custody).
